

The City Chose Us Because...

1. We connect businesses to their community
2. They want you to Tell Your Story and Broadcast it online
3. Improve Your Google Ranking
4. Your City is not getting paid, they want all of the value to go to you!

We accomplish this through...

1. Community Engagement:
 - a. Community Interactive Map Directory
 - b. Ever notice businesses that put your community first, come first in the community?
2. Branding:
 - a. We get your businesses name out to consumers within your community
 - b. Light Up Your Pin and Tell Your Story
3. Technology:
 - a. Your Website and Story are a click away from a .gov website
 - b. Don't have a website? We can create you one to get you visible on Google!
